Plaintiffs and Defendants in each of the above-styled cases submit the following Joint Status Report per the Court's order. The parties have conferred regarding the status of these two cases and submit the following:

On January 8, 2021, the United States Supreme Court will consider Calvary Chapel Dayton Valley's petition for a writ of certiorari. Due to the immediate pendency of that petition, judicial economy, and the injunction issued by the Ninth Circuit, the parties jointly ask the Court to stay the above-styled cases pending resolution of the petition for writ of certiorari and to order that the injunction of the United States Court of Appeals for the Ninth Circuit remain in effect until further ruling by this Court. The parties further agree that they shall file a joint status report within seven (7) days of the United States Supreme Court's ruling on Calvary Chapel Dayton Valley's petition for writ of certiorari, unless otherwise ordered by the Court.

At the December 28, 2020 hearing, counsel for Governor Steve Sisolak represented that the State would abide by the Ninth Circuit's injunction, did not expect, based on the Governor's public statement, any increase in any gathering occupancy limit prior to January 15, 2021, but would immediately notify all parties and this Court should there be any such change.

1	Respectfully submitted this 4th day of January, 2021.
